PUBLIC WORKS COMMITTEE

The Public Works Committee of the City-County Council met on Thursday, May 19, 2005. Acting Chairwoman Mary Moriarty Adams called the meeting to order at 5:03 p.m., with the following members present: Patrice Abdullah, Jim Bradford, Ginny Cain, Scott Keller, Dane Mahern, Angela Mansfield, Mike Speedy and Steve Talley. Absent was Lonnell Conley, Chairman

{Clerks Note: Acting Chairwoman Moriarty Adams received consent to hear all of the proposals together.}

Nathan Sheets, Department of Public Works Project Engineer, read the proposals and stated that all the district Councillors have approved these proposals.

Councillor Speedy asked if these intersection controls were all stop signs. Mr. Sheets answered in the affirmative. He stated that when a new subdivision is accepted by the City of Indianapolis then it is DPW's responsibility to establish intersection controls for the sub-division that has been accepted. Councillor Speedy asked what the best way is for a community leader to contact someone regarding intersection controls. Mr. Sheets stated that the first point of contact would be to call the Mayor's Action Center.

Councillor Abdullah moved, seconded by Councillor Talley, to send Proposal Nos. 215 through 227, 2005 to the full Council with a "Do Pass" recommendation. The motion carried by a vote of 9-0.

OTHER BUSINESS:

Councillor Keller stated that he would like to re-introduce to the committee Proposal No. 558, 2004, which authorizes intersection controls for Brookside Avenue and Steele Street. Councillor Keller stated that he now has a signed petition and would like for DPW to look at this proposal. Councillor Mahern stated that he has seen this area and stated that it should be looked at again. Mr. Sheets stated that nothing has really changed as far as DPW's position. Councillor Talley stated that Mr. Keller should re-submit that proposal as it was introduced last year (2004) and would have been dropped from the agenda at the end of last year.

CONCLUSION

With no further business pending, and upon motion duly made, the Public Works Committee of the City-County Council was adjourned at 5:14 p.m.

Respectfully submitted,

Mary Moriarty Adams, Acting Chairwoman
Public Works Committee
